**You are invited to exhibit at the  
2nd Annual Teledyne Oil & Gas Technical Day!**

[2009 Technical Day Photos](#)

On November 17, 2010, Teledyne Oil and Gas will host the 2nd Annual Teledyne Oil & Gas "Focus on Innovation and Subsea Reliability Day" at the conveniently located Marriott Houston North at Greenspoint in Houston, Texas. This format will become the premier networking event for Teledyne on the Gulf Coast.

Our 1st Annual Teledyne Oil & Gas "Focus On Innovation and Subsea Reliability Day" was held November 18, 2009 in Houston, Texas, and was attended by over 135 key customers from the Oil & Gas Exploration and Production community. Most of the attendees stayed for the entire event. Technical presentations were delivered on Materials Science, Sensing & Monitoring, High Power Innovations, and Reliability. In 2009, 13 Teledyne companies representing Teledyne Marine, Teledyne Technologies and Teledyne Oil & Gas exhibited in a showcase format highlighting capabilities towards innovative solutions to tomorrow's subsea challenges.

As a part of the Teledyne community, we want to formally invite your company to participate in this exciting event. We want and we need your technology and experience. This is an excellent opportunity to explore the ability to transfer your company's technology into new markets and/or applications. A prime example is the success found by Teledyne Microelectronics in finding a handful of top qualified application leads as a direct result of exhibiting. They came to the event with low expectations and left with very high

regards. The ability of offering integrated Teledyne solutions is highly desirable to our customer base and emphasizes the security of supply in working with the Teledyne organization.

### **1st Year Teledyne Exhibitors**

#### **included:**

|                           |                         |

### [2010 Teledyne Oil & Gas Technical Day "Save-the-Date"](#)

The 2nd Annual Teledyne Oil & Gas "Focus On Innovation and Subsea Reliability Day" will have a similar format as the 2009 event including exhibits, lunch, technical presentations by industry experts on current topics, and of course, wrapping up the day with a refreshments hour. Through these events you will have the opportunity to meet and converse with key industry contacts that have applications for your specific products, services and expertise. These contacts represent cross-discipline decision makers who are already current Teledyne Oil & Gas customers. They are looking for new technologies and innovations to meet technical challenges on and over the horizon.

### **Exhibit Information:**

Exhibit space cost / size: \$1000, 8' x 10' space

Includes lunch, exhibits, technical sessions and refreshments hour for all your company attendees.

**RSVP date: August 31, 2010** if you want to be included on the Event Agenda sent with the customers' invite. *Payment: Teledyne ODI will send an invoice.*

### [Additional Exhibitor Information](#)

### **Event Schedule:**

10:30am - 6:30pm Technology Showcase Table Top Presentations

11:30am - 1:00pm Lunch

1:30pm - 6:30pm Technical Presentations

6:30pm - 8:30pm Cocktails and Appetizers

**Location and Accommodations:**

[Houston Marriott® North at Greenspoint](#)

Cost per night: \$99.00 [Click here to make a reservation](#)

We will promote your organization along with the event on the Teledyne Oil & Gas web site, invitations, and event materials. Following the event, we will send thank you acknowledgements to all attendees and send a detailed list of all attendees with full contact details.

**Don't miss out on this great opportunity to meet with key customers**

**[Please join us as an exhibitor.](#)**

To confirm your participation or if you have any questions, please contact [Julie Harris](#) or [John Flynn](#).

We look forward to seeing you at the 2nd Annual Teledyne Oil and Gas Technical Day!

Best regards,

John Flynn
